### **COMMERCIAL OFFER**

**Dear Sirs!**

We are glad to express our deep respect towards your company, and would like you to consider our cooperation offer concerning the supply of sunflower oil

«Kaskad-2001» is a manufacturing company from Ukraine, Zaporizhzhya. We produce 100% refined deodorized winterized sunflower oil of the highest quality, according to ukrainian and international standards, in bottles of 0.5 - 9.6 litres.

«Kaskad-2001» produces goods either under own trademark («KASKAD», «ДЕНКО», «Каскад-2015»), or under the private labels of our partners (more than 30).

The company has implemented and certified safety management system of food production, based on the principles of HACCP.
